We have arranged for you a lovely trip to see some of the best that the Isle of Man has to offer at a time of year which will show it to its best. We are based in the capital of the Island Douglas where we have free time and which is an ideal place to take the local railway to visit Port Erin to enjoy the town, its views and The Sound. No trip would be complete without a visit to the iconic Laxey wheel and then take the Electric Railway to 'Royal Ramsey' with time to explore. On our visit to Peel we see this west coast resort and its area and look out for Moddey Dhoo the phantom hound! We will journey along some of the T.T course. Steadily!

Our base is the 4 \* Comis Hotel & Golf Resort which is in a beautiful setting with views towards Snaefel. It offers a modern and very comfortable base from which to explore the island. This hotel, completed in Spring 2018, has a light and airy feel and welcoming bar and lounge. The restaurant is open plan with small tables of 2's 4's & 6's and has an excellent reputation for food. All the large rooms have walk-in showers and are very well presented with tea and coffee making facilities for your relaxation. Free WiFi. Single rooms are doubles/twins for sole occupancy.

Price: Twin/Double HB £615.00. Single £869.00 Non National Trust/English Heritage £30.00 supplement. Deposit £75.00. Insurance £20.00. All entrances included except where stated.
